The Dormition of our Most Holy Lady the Theotokos and Ever Virgin Mary August 15

Concerning the Dormition of the Theotokos, this is what the Church has received from ancient times from the tradition of the Fathers. When the time drew nigh that our Savior was well-pleased to take His Mother to Himself, He declared unto her through an Angel that three days hence, He would translate her from this temporal life to eternity and bliss. On hearing this, she went up with haste to the Mount of Olives, where she prayed continuously. Giving thanks to God, she returned to her house and prepared whatever was necessary for her burial. While these things were taking place, clouds caught up the Apostles from the ends of the earth, where each one happened to be preaching, and brought them at once to the house of the Mother of God, who informed them of the cause of their sudden gathering. As a mother, she consoled them in their affliction as was meet, and then raised her hands to Heaven and prayed for the peace of the world. She blessed the Apostles, and, reclining upon her bed with seemliness, gave up her all-holy spirit into the hands of her Son and God.

With reverence and many lights, and chanting burial hymns, the Apostles took up that God-receiving body and brought it to the sepulchre, while the Angels from Heaven chanted with them, and sent forth her who is higher than the Cherubim. But one Jew, moved by malice, audaciously stretched forth his hand upon the bed and immediately received from divine judgment the wages of his audacity. Those daring hands were severed by an invisible blow. But when he repented and asked forgiveness, his hands were restored. When they had reached the place called Gethsemane, they buried there with honor the all-immaculate body of the Theotokos, which was the source of Life. But on the third day after the burial, when they were eating together, and raised up the artos (bread) in Jesus' Name, as was their custom, the Theotokos appeared in the air, saying "Rejoice" to them. From this they learned concerning the bodily translation of the Theotokos into the Heavens.

These things has the Church received from the traditions of the Fathers, who have composed many hymns out of reverence, to the glory of the Mother of our God (see Oct. 3 and 4).

From the desk of Fr. Nick...

My Dear Brothers and Sisters in Christ,

THIS IS THE DAY THAT THE LORD HAS MADE! LET US REJOICE AND BE GLAD IN IT!

A big THANK YOU to all who supported this year's festival, through your hard work, donations and dedications! It was a huge success! Glory to God that we are able to do this every year and spread the joys of our faith in Jesus Christ (and our delicious food) with the Greater Canton Community!

This is such a wonderful event. And although it is extremely laborious, it spreads such Christian positivity into a world that needs it. With all the craziness and turmoil in our country and throughout the world, we need to be reminded that Jesus Christ is truly the One Who has the joy of these blessings. Living our lives with hope in Christ is the key to letting the negativity of this world pass us by without affecting us – beyond our prayer.

This is the gift of the festival. It gives our little Canton world a break from worry, anxiety or fear. Besides our incredible food, this is probably why every year at least one person says to me, "Father, you should do this every month!" It's not just the food they are looking for, which is so worth it, it is a needed break from their normal lives - filled with all the hustle and busyness of their crammed schedule living.

This also serves as reminder to us, when we overbook ourselves, to take time to just be free from those things. Now we know that the best life is lived with and for Jesus Christ. But even the first step of this is to remove ourselves from our obedience to a schedule, and to acquire the obedience to Jesus Christ. It isn't that schedules are bad. But if Jesus isn't directing the schedule, we are likely to have issues with the purpose behind our actions within the schedule.

This is why after the festival is so nice to enter the fast of the Theotokos. We actually celebrate three major events in the history of the church during the month of August. We celebrate the Dormition of the Theotokos (August 15), and we fast for 14 days prior to that. We celebrate the feast of the Holy Transfiguration on August 6 and we get a small reprieve from fasting (fish is allowed) on that day. Lastly, on August 29, we commemorate the beheading of St. John the Baptist (and that is a strict fast day, no matter what day of the week it falls on).

But, when we celebrate the Theotokos, and any saint but especially her, we are honoring someone who did allow God to be at the center of every decision that she made. She made every decision in her life according to the will of God, and her life was blessed for it. She didn't always have an easy life, but easy is overrated. We don't need an easy life; we need a fulfilling life. And anything worthwhile and fulfilling is going to be worked for. It never comes easy.

So let us take these days to remind ourselves that our lives are better spent when we live them towards Christ. By the way, this is why we have such an amazing festival. It is because we work for our parish, which continues to do the Lord's work in this world. Decisions that continue to do the Lord's work will always be the best types of decisions we can make in our lives. So even when life gets hard, let us focus on Christ as His mother inspires us to do. And let us continue to praise and celebrate her for the beautiful example of a life centered around her Son! God Bless You All!

Message From DEACON MICHAEL

My brothers and sisters in Christ:

The Holy Spirit is the great resident in the Church. It is there that the Holy Spirit exercises all of its sanctifying and deifying. The work of our theosis, which our Lord Jesus Christ accomplished, is completed by the Holy Spirit, adopting it to the life of every faithful Christian. The Holy Spirit is the main and essential beginning of sanctification, the divine spirit which proceeds from the Father divinizes us. Divine and divinizing is that it is through the Holy Spirit the faithful become sharers of divine nature.

They are formed in the new life. They put off corruption. They return to the original beauty of their nature. They become participants of God and children of God. They take on the shape of God. They reflect the light of Christ and inherit incorruptibility the power of the Holy Spirit is what is known as divine grace. It comes and meets people and it doesn't force. It strengthens them in a spiritual way to walk the road leading to theosis! It is absolutely necessary for individuals to freely cooperate with divine grace in order to be able to travel the blessed road of union with God!

Deacon Michael
