From the desk of Fr. Nick...

My Dear Brothers and Sisters in Christ,

THIS IS THE DAY THAT THE LORD HAS MADE! LET US REJOICE AND BE GLAD IN IT!

So, we have just left the Paschal season, and we are entering the cycle of the Church as it has existed for 2,000 years – a cycle that reminds us that we are living in a fallen world. It is a world that has the opportunity for the redemption of Jesus Christ, but it is still a world that has to choose it.

Unfortunately, the world around us doesn't always make the correct choice for Christ. They make choices for the purposes of pleasing the most people. It is crazy, but many people actually feel that the main job of the Church is to please people. I'm not kidding you. This is so strange to me. "Father, just give a nice sermon, make everyone feel good, and move on." This is an actual quote that someone said to me during my time as a priest. The reason that this person said this was because people give more money when they feel good.

Now, for sure, the Church's job is to give consolation to those who need it. But that is not the only job. We are also to bring people to the salvific state of repentance. We can't bring people to a state of repentance if they feel that they are great people. After all, if they are so great, why do they need Christ in the first place?

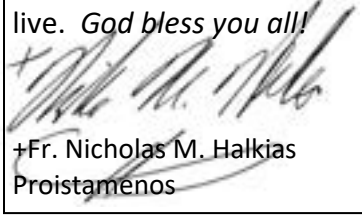

The truth of the matter is that we, in the Church, who are being saved by Jesus Christ, are constantly in a state where we praise God for our strengths and also repent for our weaknesses. We hear the Church say, "Well done" to either our praise of God or to our tears over our sins. We cannot stay in either place for very long, because the main goal of the Church is to make as many people aware of this saving nature of Jesus Christ as we can. There is no merit in our learning about the joyfulness of Jesus Christ, if at the same time, we are keeping that joy to ourselves and neglecting true inward self-reflection.

So the good news really sounds like this: "Isn't it great that God has given us this blessed life in which we can praise Him and live with Him, and at the same time, when we mess up, Jesus Christ has come to us and given us a way back by us taking the Cross for us and destroying sin, death and Satan for us? Then all He asks in return is for us to follow Him through the loving of God and each other, the recognition of our mistakes and the asking for His forgiveness?"

My dear Brothers and Sisters in Christ, the only way to ask for His forgiveness is to first recognize our mistakes. We are imperfect people. We will never do everything perfectly. And even when we do something as correctly as we can, sometimes it still negatively affects those around us. We are imperfect people. Christ was the only person Who did everything correctly.

Therefore, it is the function of the Church to remind us of our sinfulness and also of God's love and forgiveness. It has to have both sides of that double-edged sword sharpened so that we can receive from God precisely what we need in each moment of our lives. Someone once said that the job of the Church is to "comfort the afflicted, and to afflict the comfortable."

Beloved, if we must please anyone, let us first focus on pleasing our Lord. If, in pleasing our neighbor, we do something that is against God's will for us, then we haven't quite gotten this right just yet. But that is okay, because He is forgiving to those who approach Him in repentance. This is the season for us to learn to please God and to follow His path of righteousness. May that God always give us a path back to Him for as long as we live. *God bless you all!*

Message From DEACON MICHAEL

Brothers and Sisters in Christ,

In the Orthodox Church the Feast of the Pentecost, also known as Trinity Day, marks the Birthday of the Church, celebrating the descent of the Holy Spirit upon the Apostles. It signifies the beginning of the Church's mission to spread the Gospel and the empowerment of believers to share the Good News of Christ. Pentecost Sunday is one of the most important feasts of the Christian Church. Just before Jesus Christ ascended into heaven on the fortieth day after His Resurrection, He promised His disciples and followers that very soon the power of the Holy Spirit would be with them to give the spiritual strength to carry the message of Christ throughout the world. Saint Peter delivered the first sermon in Jerusalem on the first Pentecost. Over 3000 people became Christians. The disciples traveled to the far corners of the earth to bring the message of Jesus Christ to all men.

Have a blessed Feast Day!

Deacon Michael

Looking to Summer

We are fast approaching the end of the joyful 50-day period following Pascha and the resurrection and culminating in Pentecost June 8, 2025 -- and of course our name day celebration. As a convert, I was initially puzzled about the association of Pentecost with our Church, Holy Trinity. As Fr. Nick explained to me (dumbing it down a bit, of course), Pentecost represents the first time mankind witnessed the Holy Trinity in action – the Father, the Son, the Holy Spirit. By the time you read this, I'm confident that Fr. Nick has provided a more cogent interpretation and description of Pentecost!

What a perfect way to lead into the summer season. I am in the planning phase for a program during the coffee hour June 15 recognizing our newest members via Chrismation and those who have transferred to Holy Trinity since Fr. Nick has arrived – 26 by our count! We'll also celebrate Father's Day. The plan is for me to briefly introduce the new member and their families, and I am asking each to provide a "Fun Fact" for me to share with the audience, as a way to stimulate a conversation and to provide a little-known aspect of our newest members. I may have to make up something if they don't provide me with a real fun fact, and my mind operates in devious ways. The group includes me as Fr. Nick's first convert, and I may have a fun fact or two to share. I'm trying to find something not too shocking. Stay tuned.

Onward: Garbage men aren't born, they're made. We all know this. Same goes with food servers, cooks, bakers, beer drinkers, cooks, food runners, and so on. The only thing I was allowed to do in the kitchen was to wash potatoes, and even that didn't last long. Now I have found my calling: As Holy Trinity's Chief Executive Trash Collector, I once again ask each of you – teenagers to senior citizens – to help in some way – serving food, cooking, cashiering, etc. - during our wonderful Grecian Festival July 16 – 19, 2025. I think that most people get more out of the festival when they have a hand in its success. Please let Lori in the office know of your interest, or contact Dino Costi for your availability and interest.

Also, please consider the Festival as a way to demonstrate what Orthodox Christianity is all about. Introduce yourself to our guests; encourage them to tour the Church; be willing to answer the question: "So, what is Orthodoxy all about?" in simple terms. And thank you for all you do.

VOLUNTEERS NEEDED!

We are looking for committee members to assist with the decorating of the indoor taverna and outdoor patio for our festival. This is your chance to get involved in the decorating of the tables for our festival and hopefully become the chairperson for this very important committee. Please contact Ellen Romeo at 330-495-3164. Ellen has been doing this amongst other important functions for many, many years and is looking to hand over the reigns to someone else. Please consider helping with this important aspect of our festival.

GRAPE LEAVES PICKING TIME

Dolmathes - The Grape leaves are beginning to bloom. Please help in the collection of leaves for this year's festival. We know each of you have a special location for leaf picking. Leaves should be the size of your outstretched palm. Pick, wash and blanche them. Place in freezer bags and put in freezer at home or bring them to the church until the date we will make them. Please label the bags! We need at least 7000 leaves! As always, thank you for all you do for our church! There are vines on the Church property to the right of our dumpster which may be a picking source, but watch the poison ivy.

The Festival Taverna will have a sign up sheet outside the Church Office later this month. Workers are needed both for Lunch and Dinner and in between each day. Please sign up for a day or two if you are able! Should you have any questions, please contact Sally Rath at 330-705-2663.

Volunteers are needed to help set up, take down, work in the kitchen, booths, food lines, and sell many items. Please consider volunteering your time, talents, or treasures!

Donation cards AND Sponsorship sheets are still available outside the Church Office to help defray the costs of our Festival. We want to keep our Grecian Festival the most popular Festival in Stark County and growing positively. **The Festival Committee thanks you for your support and help in keeping this festival growing each year!**

Xristos Anesti From Sunday School

Sunday School celebrated Lent this year with the Six Sundays of Lent Project. We hope you had the chance to look at the children's work that was displayed in hallway throughout lent. It started with Sunday of Orthodoxy – All About Icons, Sunday of St. Gregory Palamas, The Veneration of the Holy Cross, Sunday of St. John of the Ladder, Sunday of St. Mary of Egypt, and Palm Sunday.

The children also made cards for the homebound parishioners wishing them Xristos Anesti.

We ended this joyous season with the annual Pascha egg hunt! It was a beautiful day and the kids had so much fun! Thanks to all the families that participated. God bless our children! Looking forward to next year!
